Another August show has come and gone. I think we really have come a long way from last year, and I heard many, many compliments about the grounds and the smooth running of the show.

The success of this and any of our ventures is due to the involvement of our members and their hard work. Some, but by no means all, of the members who come to mind are Dee Carlson for her work on Judge's Hospitality; Kathi Fraser for her work with the Specialties; Ludell Beckwith for her work in general; and Dick Beckwith for his efforts on setup, take down and as Chief Ring Steward. Phil Sallee gave 110 percent of his time and strength as Grounds Chair, and was an integral part of all planning. Margaret Wagemen did her usual bang-up job as Trophy Chair, creating a wonderful display at the Club table.

Many more people come to mind when I think of the massive job to clean up the area. We really need to have a 100 percent turnout of members to assist in this chore since it is the key to retaining our site. I hope next year to have some additional personnel helping out.

The show was marred by one unexpected occurrence when our Best In Show judge, Mr. Melborne Downing, suffered a heart attack before he could complete his assignment. We were very lucky to have an EMT on site, Brian Kingery, who is the son of Sammamish member Rusty Kingery, and the assistance of our own member, Dr Bo Gloster. Mel was transported to Overlake Hospital in record time, and subsequently received a pacemaker. Rich and Kim Anton picked him up, took him to the airport to fly home, and generally looked after him. I understand that the hospital care and FOOD got rave reviews from Mr. Downing, although I'm sure he would have liked to skip this particular experience.

Don't forget that the next General Meeting, Wednesday Sept 12, is the vote on our new Constitution. This is the last step that is necessary to complete our application for membership in AKC. We need a good turnout, and hopefully we will also show some interest in new members. Deb Lewy designed some flyers about our club which were distributed at the August show. I know we have at least one applicant and maybe more will turn out.

Our best wishes to Dan Fraser who is home following surgery. I haven't meant to leave anyone out who contributed to SKC's success so please, thank you to all the members for their kind words, thoughts and energy.
