# President's Report

As reported in the Minutes, there was no General Meeting, due to the fact there were no members there other than David except Board members. And then we barely made the quorum. Too bad too, as I had brought cupcakes and pop for Valentines Day.

February was a sad month for some of our friends. Sakura Moses from Puyallup, who is the Coordinator for the Cluster lost her husband to cancer. A sympathy card was sent to her from "Friends at Sammamish". Her acknowledgement of the card is printed below this report. Pro Handler, Don and Pat Rogers have been loyal supporters of our Shows. For those of you who may not have heard, they were in a horrendous accident near Shelton on their way home from a show weekend. A semi truck decided to move into their lane, with them in it. Don had nowhere to go to get out of the way, His truck was crushed in the front end by collision with the barrier on the side of the road. Pat was in that crushed area. She suffered a crushed pelvis, knee and back injury. Don received a broken collar bone. Pat faces weeks in the hospital as they try to piece her back together. You may have seen on TV the story of "Steeler" the 10 year old Whippet their personal pet, who ran from the scene and was lost for a couple of days. The dog people in the area sent out search teams and found him 10 miles away from the scene of the accident. Whippets travel fast and far in a short time. But after being checked out by a local Vet he is fine. The Show dogs were safe and unhurt still in their crates in the back of the RV and Don was able to return them to their owners. Sammamish has also sent them Get Well Cards, and Jan and Patty have visited with Pat to check on her and wish her well from us all.

**Remember, no meeting on the 2nd Wednesday!** The Banquet on the 27th at our new Favorite Angelo's. In Bellevue. I have only received 4 requests for Title Certificates. ????. Was 2012 a slow year for finishing dogs? **RSVP** to me I guess this time. Driving Information on the back page.

*We deeply appreciate the  
compassion and support given  
by our friends in the "dog"  
community. Your thoughts  
and prayers have helped during  
this difficult time. Thank you.

## Minutes for 13 February Board Meeting (Kirkland Fire Department)

Forgot to write the meeting start time. People in attendance: Rusty and Dave Kingery, Jan Leikam, Patty Anderson, Jerry Orta, Bo Gloster, Dee Carlson

Discussion about the owner of the Sammamish Kennel Club web page and the ISP. Our web page is currently down as we are unable to pay the bill – we don't know what name used as the page owner.

Discussed large loss of money from the August 2012 show and trials. Jan suggested that obedience and rally be dropped from future shows as they don't make money and contribute to a loss for the August shows. Dee Carlson disagreed with dropping obedience and/or rally. No discussion followed.

Long discussion on moving the August show and trials to another location, possibly Puyallup in June with Tacoma Kennel Club and Puyallup Valley Dog Fanciers (three day cluster). No decision reached. To be further discussed at next membership meeting.

SamKC canopies will be examined and repaired in April when the weather will hopefully be more cooperative.

Next meeting is the Awards Banquet to be held at Angelo's (Bellevue) Wednesday, 27 March, starting at 6:30 PM, dinner served at 7 PM. Send awards for 2012 to Rusty and Patty by the end of February; please include pictures.

Send your nomination for the AKC Good Sportsmanship Award to Bo by May. Include a few paragraphs explaining your reasons for your nomination.

Bo and Laura have not yet met to explore creating a Facebook page for Sammamish Kennel Club.

Bo brought a copy of Scene magazine that contains an article about dog shows in general. Sammamish Kennel Club and Bo are mentioned several times in the article.

Respectfully submitted,

Dee Carlson (I also forgot to write down the time the meeting ended. The membership meeting was not called as there were only Board members in attendance.)
