Inside is the Report of the Nominating Committee. You will see 2 new names for the Offices of Secretary and Treasurer and 1 new for the Board position. November is the meeting for nominations from the floor. Remember, you must have the person's permission to enter her/his name for the slate.

I also reprinted a request from the AKC to donate to the Pet Relief Trailer Fund. Please read and decide what or if the Club would like to donate to this cause. We have had cases this year with the fires East of the mountains when something like this would be welcome.

We have to think about our plans for the Xmas Party. Jan has volunteered to set us up with Angelo's again. It has been a popular choice.

Also, start thinking about the Jan. 13th Cluster Show. Remember this year of rotation we are the Monday Show. So everyone who is able to get off work will be more than welcome to work the Show.

Minutes: President's report Rusty:

Dogs going to Canada to compete in dog shows have new requirements.

USDA's new requirements are trying to stop breeding of all dogs. This could be a concern for Show breeders as well.

Treasurer report:

We still have outstanding bills from the Summer show at Marymoor Park.

There was discussion about whether or not to support specialty Obedience and Rally at future shows this was tabled until the Showhairan (Bo) could be present.

Laura announced the Slate from the Committee:

Rusty Kingery: President

Bo Gloster: Vice President

Susan Plouff: Treasurer (with assistance from Patty/Jan)

Laura Young: Secretary

Patty Hull: Board

Geri Orta: Board

Jan Leikam: Board

Jackie Blumenstetter: Board

Sandee Isaacson : Board

There was discussion about Laura taking on Education and doing more community outreach. Patty says we can have some great handouts with web/facebook information printed on them for very little money.

There was discussion about how well the Kirkland Octoberfest Wiener dog races did and how much attention they brought to dogs. It would be a nice event to do some outreach in next year. Also discussion about Seattle Kennel Clubs outreach in Sept with Riverdog Training Center in Issaquah.

The meeting was adjourned, 8:pm

Laura Young, for Michelle Brown, Sec.

HELP YOUR COMMUNITY'S PETS DURING TIMES OF DISASTER WITH AN AKC PET DISASTER RELIEF TRAILER

Raleigh, NC — September 17, 2013. With the ever-increasing number of floods, hurricanes, tornadoes, earthquakes and wildfires, AKC Reunite is helping communities across the nation prepare by mobilizing AKC Pet Disaster Relief.

AKC Reunite, working in conjunction with AKC clubs, is raising funds to help supply stocked mobile AKC Pet Disaster Relief trailers that deliver essential, nonperishable necessities for sheltering pets when and where needed to local emergency management. The trailers provide animal care services during the first critical hours following a disaster, before FEMA support and services can be deployed.

“It’s imperative to find a solution for safe, effective pet sheltering in times of disaster. AKC Pet Disaster Relief provides that solution for local emergency management agencies, which are required by federal law to provide for the safety of the people and pets in their communities,” said Tom Sharp, AKC Reunite CEO. “We look forward to working with AKC clubs around the country to raise funds for these trailers and help them present them to local officials.”

AKC Reunite asks AKC clubs and local groups to raise funds for the trailers. Additionally, AKC Reunite has pledged \$250,000 over the next two years to assist with funding.

Clubs are encouraged to promote [AKC Pet Disaster Relief](#) to both club members and individuals and organizations within the local community to raise funds to source the trailer. Clubs can team up with other area AKC clubs to raise trailer funds together. Approved organizations that raise a minimum of \$1,000 will have their logo featured on the AKC Pet Disaster Relief trailer.

Donations are tax deductible and accepted [online](#) or via the AKC Pet Disaster Relief [Donation Form](#). Trailers like these were used in AKC Reunite’s home state of North Carolina during Hurricane Isabel. Visit the NC State Animal Response Team [website](#) to watch how a trailer helped create a local shelter in “View SART in Action.”

Funds will purchase the following trailer:

The AKC Pet Disaster Relief trailer is stocked with essential supplies to create a safe, temporary home-base for at least 50 displaced animals directly after a disaster is declared. The trailer has lighting and is wired for electricity, to run off either a generator or 110v power supply. Typical trailer contents include:

Administrative Supplies: Log books, volunteer registration forms, wrist/collar bands, check-in materials

Maintenance Equipment: Batteries, gas can, duct tape

Animal Care Items: Crates packed on rolling dollies for easy set-up, cat carriers, litter, microchips and scanner, bowls, collars and leashes

Equipment: Fans, generator, lighting, hose

Cleaning Supplies: Mop, trash can, tarps, litter boxes, disinfectants

Access to [Training Materials](#): Turnkey implementation of co-located shelters and pop-up reunion centers, volunteer mobilization, decontamination and replenishment
