S

I have received no minutes from the last meeting held in October.

But to refresh you and/or bring you up to date-----

It was a very sad meeting as we had to deliver the news that Whidbey had denied us the Show to be held in their territory. Even more disappointing that AKC had upheld their denial. There was much discussion on where in King County we could find Grounds big enough to hold the Show. Among those, to check back with Marymoor Park, Remlinger Farms. We checked with Marymoor and they were booked for our dates. Remlinger's ground could not hold an event as large as ours. The Show in this case is not the problem, it is the parking area we need, RVs and day parking they couldn't handle. From there, Christie [Marymoor contact] suggested we contact 60 acres. Who is now owned by a Soccer Ass'n. They have a big Soccer event our weekend. St. Edwards, and Sammamish Park are State Parks. There is no overnight parking in State Parks. So back to square one. But not for lack of trying.
